Exhibitor & Attendee Registration Available for 2014 International Reflective Insulation Manufacturers Conference

The 2014 International Reflective Insulation Manufacturers (I-RIM) Conference will take place **March 5-7** at the Crowne Plaza Docklands Hotel in London. This coincides with the EcoBuild event held in the same location.

Interest in the conference has been booming with exhibit spaces booking quickly. The conference will host an exhibit which includes a cocktail reception on Thursday and another exhibit time with lunch provided on Friday. These catered events will ensure traffic for those interested in sharing information about their company/service/product with conference attendees. Exhibitor registration **includes two full conference registrations** along with either table top space or pop-up display. Exhibits will be placed around the perimeter of the room to give each exhibitor direct contact with every guest.

If you're not wanting to exhibit but do want to learn from the many industry experts presenting sessions at the conference, attendee registration is also now available. You can view the complete program schedule along with details on the sessions and presenters at www.rimainternational.org under the "I-RIM Conference" menu option in the upper right-hand corner.

If you are involved in the reflective products industry, you cannot afford to miss this event. For more information call 800/279-4123 or e-mail your questions to rima@rima.net.
