

# I-RIM Conference 2016

(June 1-3)

International Reflective Insulation Manufacturers Conference

## Sponsorship Opportunities

Companies that are not able to attend or would like some additional exposure to those attending the upcoming International Reflective Insulation Manufacturers Conference (I-RIM Conference) have the opportunity to become a sponsor and get their company name and logo out and visible for all to see.

This could be the perfect way for your company to stand out in the crowd. Those securing a sponsorship will receive a sign with their name and logo at the location of the activity as well as recognition in the on-site conference program (the sooner you commit, the sooner promotions can begin). Signage will increase in size depending on the amount of sponsorship. The bigger the sponsorship - the bigger the sign.

If you sign up right away, you will also be added to the RIMA-I website for advanced recognition of your contribution - so make the most of this opportunity and secure your event today!

**Here are some sample sponsorship opportunities,  
but we invite you to share with us your ideas and we will work with you to make  
the most of your participation.**

### **Current Sponsorship Opportunities Include:**

\$250 - Coffee Break
