Learn from the Best (In English and Spanish) at I-RIM Conference 2018

As the International Reflective Insulation Manufacturers Conference (taking place May 9-10 at the beautiful Marrior Los Suenos Beach and Golf Resort in Puntarenas, Costa Rica) approaches, and as you make that all important decision on whether to attend, be sure to check out the program first.

We are pleased to include these two exceptional featured speakers for the 2018 event:

- Wednesday's featured speaker is William A. (Bill) Miller, PhD, Oak Ridge National Laboratory who will present "Demonstration of Near Zero Energy Homes".
- Thursday's featured speaker is Jan Kosny PhD, Fraunhofer Institute who will present "Numerical and Experimental Analysis of Thermal Performance of Residential Attics Containing Aerogel-Based Radiant Barrier Insulation System".

To accompany these special guests are several other experts who will present on a variety of topics including:

- Does the Presence of A Radiant Barrier Increase the Chance of a Lightning Strike? - By Brian St. Germain, LP Building Products
- Regional Updates: Panel of Experts from Australia, SE Asia, North America, Europe and Latin America
- Latin America Buildings with Reflective Insulation Performance and Improvements after RIS - By Pablo Sobrano, Prodex
- Building Performance Software – Impact of Attic Radiant Barriers - Panel of Experts will Present
- About RIMA International & the Advanced Building Code Coalition (ABCC) - By Bobby Byrd, RoyOMartin
- Radiant Energy Management and the Versatility of an IRCC - By Lynn Walters, Kemper System America, Inc.
