Congratulations to R&D Services, Inc.

R&D Services, Inc. was founded in 1994, but goes all the way back to the 1970's. What began in a basement, has now grown into a new 20,000 square foot facility. R&D Services is an accredited test laboratory (ISO 17025) and inspection agency (ISO 17020) by the International Accreditation Service (IAS). This accreditation qualifies R&D Services, Inc. to provide classification testing to satisfy ASTM specification and provide qualified inspection and follow-on testing required by organizations such as ICC-ES, CCMC and IAPMO. They offer a variety of ASTM test methods. Some of the more popular ones include:

- C518
- C665
- C739
- D2126
- E96

They recently held a grand opening to their new 20,000 square foot facility in Watertown, Tennessee. We extend congratulations to them on their continued excellence and service to manufacturers around the world.

For more information on R&D Services, Inc. check them out at <https://rdservices.com> or call them direct at **931/372-8871**.

The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulation, radiant barriers and interior radiation control coatings (IRCCs). RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at www.rimainternational.org.
