Be Our Guest in Atlanta – October 6-7

The Reflective Insulation Manufacturers Association International is excited to announce we will be meeting in person at the Atlanta Marriott Marquis October 6-7, 2021. This will be our first face-to-face gathering since the fall of 2019, so it will be a great opportunity to reconnect, mix and mingle and get things done!

The meetings are being held in conjunction with the ASTM C16 meetings, so those interested in participating in both events can easily do so. RIMA-I meetings begin Wednesday afternoon with the Advanced Building Code Coalition (ABCC) followed by the Technical Committee. The first day will conclude with a great group dinner outing to a secret location. A cocktail hour sponsored by Dunmore Corporation will open the event. This is always a highlight to every meeting and a great opportunity to socialize with peers.

Thursday begins with more committee meetings including Strategic Alliances, International Conference, PR/Marketing/Membership and Verification. There will be a group lunch followed by a guest speaker and the full Membership Meeting, where all committee chairs will report on current activities and goals. Other association business, including board elections, will be held at this time. The meetings will conclude around 3 p.m. where attendees have the opportunity to depart or stick around and explore the city.

If you would like to learn more about all RIMA International is doing and connect with some of the top experts in the field, come be our guest! You will be amazed at all your industry association is doing. **You can reserve your spot by contacting the RIMA-I office at rima@rima.net or by phone at 785/424-7115 by September 21, 2021.**

Come join us in Atlanta. Together we will make a difference!
