Join us in Tampa Learn What's Happening in RIMA International

The Reflective Insulation Manufacturers Association International will hold their spring meetings at the Westshore Grand Hotel in Tampa, Florida, March 30-31. These are the association's working meetings where each of our committees meet to discuss assigned projects, address any current industry issues and work on ongoing efforts. The full membership will also meet to report on all association projects and activities as well as address any association business.

What does that mean to you? It means, this is a great opportunity to learn all that RIMA International is about and network with the top professionals in the reflective products industries. ***Anyone involved in any way with the reflective insulation, radiant barrier and radiation control coatings (IRCC) industries, should be there.*** Guests are welcome to attend all meetings and are invited to join the members for a group cocktail hour and dinner outing on Thursday evening at Seasons 52. After the membership meeting Friday morning there will also be a group brunch followed by a guest speaker – all compliments of RIMA International.

We know once you see all the work being done and how your voice can have an impact, you will want to learn more. Take advantage of this opportunity to be our guest and connect with some of the top experts and professionals in the field. You will be amazed at all your industry association is doing. ***You can reserve your seat by contacting the RIMA-I office at rima@rima.net or by phone at 785/424-7115 by March 3, 2023.*** (Hotel reservations must be made by February 28. Use our group block link - <https://book.passkey.com/event/50458129/owner/48997826/home>.)

We look forward to seeing you there. Together we DO make a difference!
