Don't Miss This Unique Opportunity to Learn from the Best in Your Field - Register Now!

It's not too late to register for the International Reflective Insulation Manufacturers Conference (I-RIM Conference) running 23-24 May at the LeMeridien Visconti Hotel in Rome. The line up of speakers and topics is incredible and offers attendees a unique and special opportunity to not only learn from the best in your field but to network as well.

Top experts in the reflective technology industry will share the latest research, advancements, uses and more. Here's a sneak peak on the topics covered:

- Net Zero, High Performance, Carbon Neutral Buildings are Required in Some Countries - What is your Industry's Responsibility?
- Latest Industry Trends Around the Globe:
 - Latin America
 - Europe
 - Australasia
 - Korea and Japan
 - North America
 - Argentina
 - Saudi Arabia
- Operation and Results from the Single-Sided Hot-Box Apparatus
- A New Metric on Measuring and Labeling CO₂ Emissions in Homes
- Attic Radiant Barrier Performance Evaluation
- PET/METPET and Aluminum Foil Supplies
- Specification for Reflective Insulation: EN and ISO Standards
- Mitigation of Building Energy Dynamics - Great Opportunity for Reflective Insulation combined with Thermally Massive Systems
- Modern Evaluation of Reflective Insulation Performance
- Reflective Technology Extended to Fenestration
- Manufacturing Techniques
- Thermal Break Solutions for Commercial, All-Steel Buildings with Reflective Insulation

You can find the complete conference program, session descriptions, speaker bios, hotel room links, exhibitor and attendee brochures and online registration forms at <https://rimainternational.org/i-rim-conference/i-rim-conference-rome-italy/> or simply.

Register Online Now at - <https://form.jotform.com/82394464684166>

You simply can't afford to miss it.

See you in Rome

(The Reflective Insulation Manufacturer's Association International is a group of dedicated people working together to propagate the knowledge and use of reflective insulations and radiant barriers. RIMA-I has been the major force in establishing fair ASTM standards for testing and installation procedures. RIMA-I welcomes all who are interested in promoting and directing the growth of the industry. For more information about membership or the industry, please contact Executive Director Mary Edmondson at 800/279-4123 or visit us on our website at www.rimainternational.org.)
